

# 2 SEMESTER 2

Senior Minister of CFC Churches, Pastor Bill Vasilakis says:

' This Apologetics & Culture Course will provide emerging and serving leaders of CFC Churches with important and well thought out reasons for faith...We all need our minds reinforced with logical arguments that our hearts have intuitively known.

We will also be discussing how we interface with the immense challenge our rapidly changing culture is presenting to us as Christ followers.'

It will be run onsite on Thursday nights 7-9.30pm (Adelaide time) at Seaton CFC (185 Frederick Road, Seaton), and online for people unable to travel from across our CFC Churches
